

Climate campaigners share Green Hearts

February is the month that marked the Climate Coalition's Nationwide Green Heart campaign which encourages us to have a change of heart in response to our climate crisis after COP26.

Fairer World Lindfield has partnered with the Haywards Heath Hookers Crochet Group who created an amazing post box 'hat' for Lindfield High Street's post box under the theme of 'One Planet'.

Green Hearts can be seen in shops around the village and, at the Lindfield Repair Café in February, the

Mayor of Haywards Heath was presented with a large wooden heart (recycled MDF) to decorate his office at the Town Hall.

Sixty-five people attending, added their paper Green Hearts to a Caring For Your Planet Tree, writing their thoughts and concerns about climate change. These were then sent to our local MP, Mims Davies. If you'd like to send a Green Heart card to your MP, you can download one here: www.theclimatecoalition.org
