Borde Hill to open for exercise

Following Government advice to take limited exercise and to stay local, Borde Hill Garden has taken the decision to open its gardens a month earlier than normal.

Tickets must be booked online (www.bordehill.co.uk) beforehand and the management politely request that any visitors observe all current distancing measures and restrictions and don't travel to Borde Hill from 'out of the local area'. The site, just outside Lindfield, will be open to the public from 13th February – bookings can be made on the website now.

Making your money matter Zoom talk

Recent research suggests that 68% of UK savers want their savings and investments to consider people and planet alongside profit. For those of us with savings, is it possible to influence financial institutions to ensure they use our money to benefit the environment and mitigate the impact of climate change? To find out, please join Fairer World Lindfield on Zoom on Monday 1st February from 7pm until 8.15pm when Lindfield residents Guy Rowland and Peter Desmond will be sharing their experiences of finding ways to bank and invest more sustainably.

To register for this event please email: fairerworldlindfield@gmail.com or call 01444 484063.

Take the stress of I.T. away Do you struggle with computers?

For all your PC, Mac, tablet & smartphone problems, training, recovery & spring cleans.
