Virtual Climate Cafe

Community group Fairer World Lindfield will be holding its monthly Virtual Climate Cafe on 'Pressing Pause: How Covid-19 is making us rethink our relationship with nature' with guest speaker Dr Tony Whitbread, President of Sussex Wildlife Trust, on Tuesday 8th September 7-8.30pm. Further information and booking details are on the Facebook Page: www.facebook.com/fairerworldlindfield

Showground open

The South of England Event Centre in nearby Ardingly has recently welcomed back its first major outdoor clients since lockdown.

"We're delighted to have our long-standing client, IACF, back on site on 21st and 22nd July with its popular outdoor Antiques Fair", says Duncan Rawson, Event Centre Director. "And it's also been a welcome return for our drive-in movies – both events fully complying with latest Covid-19 guidance."

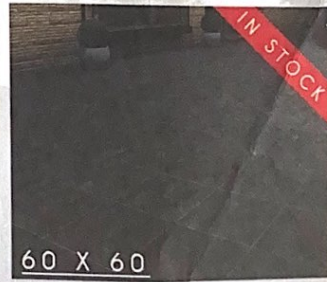

The 150-acre Ardingly showground is home to the South of England Show, cancelled in June due to the Coronavirus pandemic.

The showground and buildings is fully open for business and personal bookings, contact: eventcentre@seas.org.uk
